

GRIP MATTERS

Prelude PRESTIGE™

Splittable Sheath Introducer

Improved grip for easier hub break and seamless sheath to dilator transition.

Prelude PRESTIGE™

Splittable Sheath Introducer

The Prelude Prestige™ is a non-valved splittable sheath used in the placement of catheters and pacing or defibrillator leads into the venous vasculature. Engineered with an improved grip for exceptional sheath peeling, the Prelude Prestige eases venous insertion with its seamless sheath to dilator transition. The Prelude Prestige is available in a wide range of sizes to meet your diverse clinical needs.

KEY FEATURES
